100 euro for one in a double room per month

The dormitory is situated 200m from the Rectorate building of the city centre of Svishtov. There is a picturesque view along the Danube River from the building itself.

## Svishtov - the city of benefactors

Svishtov is also well-known as the town of benefactors. There is no significant initiative, building, school, church or institution, that has not had benefactors supporting them via private donations: D. A. Tsenov Academy of Economics; Dimitar Hadzhivasilev High School for Trade; Elenka and Kiril D. Avramovi First Bulgarian Community Centre (which currently is mostly known as a theatre and museum), and about 600 more benefactors appeared in Svishtov during the Bulgarian national revival alone.

Svishtov is a town that has seen 100 original developments. Here are some of the most important ones:

- The first donation to a school was made in 1812 by Phillip Sekelarevich, who was born in Svishtov, but was trading in Vienna;

- Svishtov was the first liberated town from the Ottoman Empire and the first civil administration was also established here;
- The first professional highschool in Bulgaria was founded in Svishtov owing to the donation of Dimitar Hadzhivasilev and was designed by the Austrian architect Paul Brant in the style of the Vienna State University;
- Svishtov is the birthplace of the author of the first book printed in the modern Bulgarian language - Philip Stanislavov. The author of the Bulgarian anthem - Tsvetan Radoslavov and the great writer Aleko Konstantinov were also born here.
