MECHANISMS OF HIGHER EDUCATION FUNDING

Визначено національні тенденції фінансування освіти в Європі та можливостей їх використання в державній політиці у сфері вищої освіти України. Визначено такі основні характеристики державного фінансування вищих навчальних закладів Європи: формули фінансування, виділені на державні кошти; показники ефективності, засновані на результатах студентів; державне фінансування відповідно до виконання контракту; державні кошти для досліджень.

***Ключові слова:** вища освіта; державна політика; державне фінансування; державні витрати; моделі фінансування; формули фінансування.*

The national education funding trends across Europe and the possibilities of their usage in Ukrainian public policy in the area of higher education have been defined. The following main characteristics of public funding of higher education institutions in Europe have been identified: funding formulas allocated on public funds; performance indicators based on students' results; public funding in accordance with a performance contract; public funds for research.

***Key words:** higher education; public policy; public funding; public expenditure; funding models; funding formulas.*
