

Where talent meets experience!

Top Talent Program by msg global solutions aims to gather **students and new graduates** who are willing to strive for excellence and boost their careers.

It offers **3-month paid internship** and a great chance to get familiar with the **IT Consulting and Software Development** world. During the internship, your mentor and coach will provide you with all the support you need and you will be able to upgrade your professional and soft skills. Our internship is also a great way to start your career with us since it can lead to full-time employment and working in an amazing and knowledge-driven team.

For the ones who will apply for the Functional Program, we will assess the learning path that best fits your background and aspirations during the selection process. The 3 months Top Talent Program is designed for graduates and students who are about to graduate, as a full-time paid engagement.

What do you need to get started?

Studies in fields of IT,
Computer Science,
